

Drones ... Toy, Tool or Tort?

Location

The Graham Building
30 S. 15th Street
Philadelphia, Pa

Date & Time

Start Date: 01/25/2018
Start Time: 8:00 AM ET

David Heffernan and Jennifer Urban, of the firm's **Transportation and Trade Practice Group**, will present, "Flying Within the Law" at the Graham Company's event, "Drones ... Toy, Tool or Tort?" on January 25. The Graham Company will host this informative breakfast workshop where drone risks, coverage, and considerations and Stealth Air Corp, global leaders in business applications for advanced UAV use, will be discussed. The presentations will also touch on the benefits and capabilities of Stealth Air Corp's UAV service and why outsourcing this service to qualified providers makes sense from a risk management standpoint.
