# Maximizing Plumbing Loss Subro Potential

## Location

Webinar

COZEN

O'CONNOR

## Date & Time

Start Date: 06/20/2023 Start Time: 2:00 p.m. ET End Time: 3:00 p.m. ET

Kris Cherevas will present the webinar "Maximizing Plumbing Loss Subro Potential" for the National Association of Subrogation Professionals (NASP).

The webinar will provide an overview of plumbing basics with hands-on exemplars, and cover a broad section of water losses. The presentation will create a better understanding of plumbing functionality, common failures, and checklists to prepare for the next water loss and potential subrogation recovery.
