

Won't get a COVID vaccine? Some bosses may charge you \$20 to \$50 more for health insurance on every paycheck

Tuesday, August 10, 2021

Michael Schmidt was quoted in *Press From* discussing mandating the COVID-19 vaccine in the workplace. If you work in a field that requires you to interact with the public, you are among those most likely to be required to be vaccinated, said Michael. To be sure, emergency use status isn't enough to block mandates altogether. A federal judge in Houston recently ruled against hospital employees who had argued that they should not be subject to a mandate because the vaccine had only been approved for emergency deployment. "The judge pretty handily rejected that claim," Michael said.
