

Up in Smoke...Burn Testing in Fire Cases

Location

Webinar

Date & Time

Start Date: 09/27/2022

Start Time: 11:00 am EDT

End Time: 12:00 pm EDT

Speakers

Mark S. Anderson and Paul T. Way of Jensen Hughes will present a Cozen O'Connor webinar titled "Up in Smoke...Burn Testing in Fire Cases."

This webinar will teach subrogation professionals about the necessity and methods of comparative fire testing as it applies to recovery cases. The presenters will use real world examples to show how comparative fire testing can help prove a case or rebut a defense theory. The presenters will also discuss testing standards and admissibility factors.

CE is approved in TX, NC, FL, DE and WV.
CLE is approved in PA, NY, TX, IL, NV, and CA.
