

Insurers and the Blockchain: Embracing the Role of Insurance Coverage in the Cryptocurrency Space

Location

Webinar

Date & Time

Start Date: 11/17/2021

Start Time: 11:30 a.m.

End Time: 12:30 p.m. (ET)

Speakers

This webinar will focus on the impact of cryptocurrency and blockchain technologies on the insurance industry. The presenters will introduce blockchain and cryptocurrency and address the impact of blockchain technology to insurance products, including current lines of coverage, blockchain as a tool for insurance, centralized and decentralized models, insuring the developing world with the help of blockchain technology, and potential underwriting and claims process efficiencies to be gained by using blockchain technology.
