

Banking, Regulations, and Litigation: A Perfect Match

Tuesday, June 18, 2024

Aaron Krauss and Brett Watson were guests on the *Litigation Radio* podcast to discuss the legal challenges and strategies banks need to navigate the complex regulatory environment. Aaron and Brett cover the ABA's new book, *Banking on It: The Ten Most Common Claims Involving Banks*, litigating check claims, the latest iteration of check claims, and litigating employment claims in the banking industry.
