Sam Bogetti and **Rebecca Sim** will present at the “FIRE Starters Global Summit,” an event that brings together the rising stars of Asset Recovery, Fraud & Insolvency to forge networks, discuss experiences, and build their own personal brand. Sam will speak about class action proceedings and fraud claims, while Rebecca will focus on the injunctions and the interplay between the fraud and insolvency world. The event is sponsored by Thought Leaders 4 FIRE, a membership association that works in close partnership with the industry to deliver technical knowledge and practical insights.
