

Vaccine Mandates: Supreme Court Likely to Weigh in 'Before This Pandemic is Over'

Tuesday, November 2, 2021

Michael Schmidt was quoted in *The Wealth Advisor* discussing the latest with OSHA's ETS COVID-19 mandate. He expects immediate challenges to the new federal mandate. Moreover, cases claiming the federal government is interfering with states' rights can be fast-tracked to the Supreme Court, he said. "You're going to see, I think, challenges from all different walks of life, from governors, from business and trade associations, within hours of this...[ETS] being issued. I think you're going to see all kinds of lawsuits getting filed," he said.
