

# Cybersecurity in 2020 – How to Navigate Increasing Data Security Threats, New Legal Requirements and Enhanced Enforcement

## Location

Webinar

## Date & Time

Start Date: 02/20/2020

Start Time: 12:00 pm

End Time: 1:00 pm

The number of data breaches is increasing every year. The question is no longer **if** your organization will have a breach, but **when**. Join **Greg Fliszar** and **Danielle Sapega** for a webinar discussing the various cybersecurity threats and challenges companies face in today's environment, with a focus on HIPAA and health care cybersecurity. Greg and Danielle will also focus on mitigating risk, breach response, and recent enforcement trends by both federal and state agencies.

**CLE is approved in PA, NY, TX, IL, and CA.**

**All other jurisdictions will be applied for upon request.**
