Start Time: 12:00 pm

End Time: 1:00 pm PST

To say that the past year has been challenging would be an understatement. And, although COVID-19 continues to dominate the discussion, there have been a number of new cases, statutes, and local ordinances impacting California employers. Join Cozen O'Connor for our annual review of significant developments in California employment law over the past year – and what's ahead for 2022. We will explain the new laws scheduled to take effect in 2022, survey key agency developments, review important U.S. Supreme Court and California court rulings, discuss pending legislation and key court decisions that are expected to be handed down in the coming year, and, of course, review COVID-19 requirements. We will also cover best practices to prepare your organization for employment law compliance in the new year and beyond.
