Start Date: 10/13/2017  
Start Time: 7:30am  
End Time: 3:30pm

Abby Sacunas, of the firm's **Commercial Litigation Department**, and Jennifer Urban, of the firm's **Transportation and Trade Group**, will present at the DVIRC's 6th Annual Greater Philadelphia Manufacturing Summit. The purpose of the Manufacturing Summit is to celebrate the community of manufacturers, and cultivate new relationships and opportunities. Abby and Jennifer will present, "Drone Policy, Trends, and Opportunities."

The presentation will include:

- How drones are currently being used in manufacturing industries and how these uses are likely to expand in the future.
- Examples of how major companies in the public utility, manufacturing, energy, transportation, and real estate sectors are using drones to make daily activities safer, more cost-efficient, and to improve the accuracy of data collection.
- Insight into how industry leaders are looking to expand commercial drone operations and opportunities for new drone uses, including counsel's role in assisting companies to capitalize on these opportunities.
- An overview of the regulatory landscape surrounding commercial drone operations.
