

Cross-Border Transfers Under GDPR in a Data-Driven World

Location

Webinar

Date & Time

Start Date: 08/19/2020

Start Time: 12:00 pm

End Time: 1:00 pm EST

Join Cozen O'Connor for an update on recent developments related to the General Data Protection Regulation (GDPR) and the impact of the European Union's decision in *Data Protection Commissioner v. Facebook Ireland and Maximilian Schrems (Schrems II)* on companies that transfer data from the EU to the United States. With the far-reaching implications of the *Schrems II* decision and the constantly evolving requirements under GDPR, organizations need to understand what safeguards should be instituted in order to transfer data between the EU and United States.

This webinar will address the important issues that businesses need to consider, including:

- Basic legal and regulatory framework for data transfers
- Key compliance issues confronting organizations
- Anticipated changes in light of *Schrems II* and measures organizations should take in order to adapt
- The latest guidance from European data protection authorities

CLE is approved in PA, NY, TX, IL, NV, and CA.
