

Subrogation & Recovery for Extreme Winter Weather Losses

Location

Webinar

Date & Time

Start Date: 01/14/2015

Start Time:

11:30 – 12:30 p.m. EST

10:30 – 11:30 a.m. CST

9:30 – 10:30 a.m. MST

8:30 – 9:30 a.m. PST

William Clark and Alexa Sebia will co-present this webinar titled "Subrogation & Recovery for Extreme Winter Weather Losses." This seminar will be particularly useful to adjuster and subrogation specialists handling losses resulting from extreme weather conditions. Some of the topics that will be addressed are Climate Changes: Expected Impact on Extreme Winter Weather Losses; Subrogation opportunities arising from weather induced failures to building structure, heating & mechanical systems, flood losses, and potential warranty claims for damages to roofing materials; and subrogation opportunities for flooding claims.
