

# Analysis of Fire Claims in an Evolving Solar Power Industry

## Location

Marriott Dallas Allen  
 Hotel & Convention Center  
 Allen, TX

**Suzanne C. Radcliff** will present “Analysis of Fire Claims in an Evolving Solar Power Industry” at the Property & Liability Resource Bureau’s Western Regional Adjusters Conference in Allen, Texas.

The presentation will discuss what makes up a Solar Power System, the corresponding codes/regulations, and focus on the methodology to document and safely process a solar power system fire scene. The speakers will also outline how to properly identify and notify potentially interested parties to avoid spoliation claims, and manage claims resolution goals with the legal challenges involved in subrogation. Suzanne will present in the “Property Claims” session, alongside Ulises Castellon and John P. White of Fire Cause Analysis on Tuesday, June 27, from 1:30 to 3:00 p.m. and Wednesday, June 28, from 10:30 – 12:00 p.m.
