

DEI's Uncharted Waters: Legal, Business, and Communication Strategies for the Path Ahead

Date & Time

Start Date: 10/09/2024
 Start Time: 1:00 p.m. EDT
 End Time: 2:00 p.m. EDT

The legal landscape of Diversity, Equity, and Inclusion (DEI) has shifted dramatically following last year's Supreme Court decision. With evolving legal issues, recent legislation, and state attorneys general now divided on their interpretations, the implications for businesses and employers are significant. In this webinar, we'll explore how these developments impact corporate DEI disclosures and employment issues, the ongoing business case for diversity, and the strategies needed to navigate this evolving environment. Our panel will feature professionals from the DEI Strategies Group, including attorneys from various practice groups at Cozen O'Connor, a consultant from Healy+, and a member of Cozen O'Connor's Public Strategies team, offering insights on legal, business, and communications approaches. Join us for an in-depth discussion on the current and future state of DEI and how to best prepare your organization.
