On November 15, 2021, the \$1.2 trillion Infrastructure Investment and Jobs Act was signed into law. It contains \$550 billion in new funding for infrastructure projects, including roads, bridges, water infrastructure, transportation, rail, energy, airports, and more.

During a live webinar, Conner Strong & Buckelew and Cozen O'Connor Public Strategies will discuss and simplify the opportunities for businesses across the infrastructure segments within the bill's funding. We will share insights into planning for the legal, risk management and insurance needs of successful bidders. Position your business by arming it with the knowledge to plan for and respond to the Act's opportunities.
