ChatGPT and Other (Generative) Artificial Intelligence Tools: Uses, Risks, and Policies for Employers to Consider

Location

Webinar

Date & Time

Start Date: 06/22/2023
Start Time: 1:00 pm
End Time: 2:00 pm EDT

While artificial intelligence (AI) has been around for some time, the rapidly increasing use of generative AI tools, such as ChatGPT and Bard, has prompted employers to quickly assess this issue and understand whether appropriate policies should be implemented for the company.

This webinar will provide a timely discussion on the following:

- The nature of generative AI and how employers and employees use it.
- The potential benefits and risks of using generative AI.
- The components of an AI workplace policy.
- Current legislative and regulatory initiatives to address the use of AI.
