

# Nuts and Bolts of Cross-Listing in the United States

## Location

Webinar

## Date & Time

Start Date: 04/24/2024

Start Time: 1:00 p.m. ET

End Time: 1:30 p.m. ET

Are you involved with a public company listed outside the United States? Are you interested in accessing the U.S. capital markets and exploring how to list on a U.S. stock exchange?

This webinar will provide an overview of the considerations and process involved in listing on a U.S. stock exchange for non-U.S. companies and foreign private issuers. Among other topics, we will cover reasons for cross-listing in the United States and the differences between the primary U.S. stock exchanges.
