

Utilities, Municipalities and the PUC

Location

Webinar

Jonathan Nase will present on a panel titled "Utilities, Municipalities and the PUC" at the third Public Utility Law Section Lunch & Learn session of 2021.

Over the last few years, legislative and regulatory developments have resulted in more of an intersection between the interests of public utilities and municipalities. This panel discussion will dive into several important public utility/municipal issues that are now coming before the PUC. These issues will include:

- Acquisitions
- De facto utilities
- PA One Call and the Damage Prevention Committee process
- Pre-emption
- Rail-highway crossings
- Zoning disputes and competition
