

Frank Abramonte Recognized as a Global Leader by IAM

Wednesday, October 23, 2024

IAM has named Frank Abramonte to its Global Leaders 2025 list. To qualify for inclusion in the IAM Global Leaders, individuals must be ranked in the gold tier of the IAM Patent 1000, the annual directory that identifies the top law firms and attorneys in the world's most significant patent jurisdictions. Abramonte was selected for his ability to innovate, inspire, and go beyond to deliver value for his clients through his experience creating, protecting, managing, transacting, and enforcing critical patent rights.

Abramonte is co-chair of Cozen O'Connor's Patent Prosecution Practice and focuses on patent procurement and portfolio strategizing in electrical, software, electro-mechanical engineering, and medical device related technologies. In addition, he provides services in licensing, diligence exercises, and validity and infringement studies and opinions, as well as related litigation counseling. He counsels various businesses, from established public companies to early and late stage startup businesses.

About IAM

IAM is a trusted partner in IP value creation that provides a suite of tools, intelligence, legal know-how, and data that empowers you to mitigate risks, optimize operations, spot new commercial opportunities, and maximize the value of your patent, trade secret, and other IP assets.

About Cozen O'Connor

Established in 1970, Cozen O'Connor has more than 925 attorneys who help clients manage risk and make better business decisions. The firm counsels clients on their most sophisticated legal matters in all areas of the law, including litigation, corporate, and regulatory law. Representing a broad array of leading global corporations and middle market companies, Cozen O'Connor services its clients' needs through 33 offices across two continents.
