

The Silverstein Properties Trial and the Issue of Contract Certainty in the Aftermath of September 11, 2001

Location

Pre-recorded teleconference with live Q&A

Date & Time

Start Date: 09/15/2011

Part of the ABA Tort Trial & Insurance Practice Section's series of podcasts, teleconferences, and live programs dedicated to Disaster Preparedness and Response. It addresses issues arising out of disasters caused by foreign and domestic acts of terrorism, by negligent acts, by natural events and by threats to our cyber-security and will confront the issues of preparedness, risk management, recovery and response, liability, insurance, claims and litigation.
