Stephen Halbeisen along with Kevin Kianka, P.E., Director of Operations, Haag Technical Services Co., and Justin Kestner, P.E., CEO, Haag Global, will present a Cozen O'Connor webinar titled, "Forensic Scene Documentation and Presentation Utilizing Matterport" on Tuesday, May 19, 2020. In the wake of the COVID-19 pandemic where scene examinations are becoming more challenging to attend, this webinar will discuss techniques for scene and evidence documentation and presentation utilizing Matterport 3D Cameras. Matterport uses cameras capable of taking 360° spherical images that can be merged to allow a remote user to take a virtual tour of loss sites from a computer.
