

2025 Regulatory Outlook

Date & Time

Start Date: 10/28/2024

Start Time: 12:00pm ET

End Time: 1:00pm ET

Stephen Cobb will join Ken Koch, BDO USA principal and forensics practice market leader, for a one-hour webcast on Monday, October 28, 2024, at noon.

In 2025, the regulatory environment in the United States will likely see major changes that will affect all industries. No matter who wins the upcoming presidential election, the new administration and new regulators alike will have their own policies and priorities. The changing political landscape will impact critical areas of regulation such as financial services, artificial intelligence, cybersecurity, and risk governance.
