End Time: 12:30 p.m. ET

Jessica Erickson and Jaynee Mathis will present a Cozen O'Connor webinar titled "Building a Strong Defense: Early Approaches to Construction Accident Litigation, Investigations, and Risk Transfer."

This webinar will discuss the steps that can be taken immediately in the aftermath of a construction accident to evaluate potential exposure to contractors. The presenters will focus on accident investigation, document and evidence retention, and early evaluation of risk transfer opportunities to shift risk under the terms of a construction contract, including indemnification and additional insured coverages.

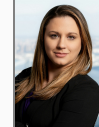

CE is approved in TX, FL, NC, DE, and WA.

CLE is approved in PA, NY, TX, IL, NV, and CA.

CE/CLE information will be collected when you join the webinar.
