

Reactions to Canada's Rogers-Shaw Deal Approval

Monday, April 3, 2023

Michael Osborne was quoted in a *Reuters* article discussing the approved Rogers-Shaw Communications merger requirements. "There's nothing too much in the requirements that are surprising. Many of the requirements of Rogers are things the company already announced it would do when it announced the merger. This just holds them to it. But it doesn't change our view of what the merger means to Rogers," said Michael.
