**Michael Crossey** and **Christopher McDemus** will present “How to Kill a Deal: The Top Due Diligence Mistakes & Lessons Learned” at the 12<sup>th</sup> annual Philly Tech Week 2022. All too often the startups miss important steps along the way, all of which are usually uncovered as blemishes during the due diligence process for a financing or exit. What may seem like a small oversight may come back to haunt the company with a decreased value or failed opportunity. Join investors and lawyers as they share mistakes and real-life stories of companies that failed to conduct proper due diligence.
