

Investing In Africa: New Opportunities in Mining by the African Continental Free Trade Area

Steve Dickinson will be presenting on a webinar titled "Investing In Africa: New Opportunities in Mining by the African Continental Free Trade Area" sponsored by Global Minnesota. Steve will be on a panel discussing the importance of mining, current and anticipated mining-related opportunities in Africa, legal considerations, and more. Additionally, the program will explore new opportunities and potential partnerships with African firms involved in mining as a result of the new African Continental Free Trade Area (ACTFA) agreement.
