Concurrent Session: Making the Return Trip: Recovering Assets in China, Mexico and Canada

Friday, June 13, 2014
10:45 a.m. - 12:00 p.m.

This panel will discuss the complexities of recovering assets in China, Mexico and Canada including attachment, perfection and priority issues that are unique in each jurisdiction, and the interplay of foreign registration systems and the Uniform Commercial Code. The panel discussion might include some of the complications involved in owning or being secured by foreign assets, including foreign exchange and other currency restrictions.

Workshop features:

- 16 bankruptcy judges representing Illinois, Michigan, Minnesota, Ohio, Tennessee and Wisconsin
- Concurrent Business and Consumer Tracks
- Plenty of Networking Opportunities with receptions, breaks, and optional events
