Thursday, April 25, 2019

The 2019 Washington, D.C. edition of *Super Lawyers Magazine*, published by Thomson Reuters, has named 13 Cozen O'Connor attorneys to its list of Super Lawyers and Rising Stars. Barry Boss, co-chair of the White Collar Defense & Investigations practice and co-chair of the Commercial Litigation Department, who has made the annual list for several consecutive years, has been recognized as a Top Star. Selection to Super Lawyers is based on a combination of peer nominations and evaluations, on the one hand, and independent research, on the other. Each candidate is evaluated on 13 indicators of peer recognition and professional achievement. Only 5 percent of the nominated attorneys are named Super Lawyers, while only 2.5 percent of the nominees are listed as Rising Stars.
