Webinar

Date & Time

Start Date: 02/14/2023

Start Time: 12:00 p.m. EST

End Time: 12:30 p.m. EST

Organizations around the world are bracing for a potential downturn. As interest rates rise in an effort to curb inflation, many companies are putting a brake on growth and using a keen eye to review how they approach agreements, loans, and real estate.

Join Cozen O'Connor for a fast-paced discussion on what organizations can do now to plan for a possible recession and considerations to safeguard their business. During this discussion, attendees will gain an understanding of:

- How to deal with existing agreements
- Strategies for entering into new agreements
- Staying ahead of the game with lenders
- Recognizing new sources of capital and debt
- Understanding when a company needs bridge financing
- Determining the pros and cons of a preferred equity investment vs. bridge financing
