Monday, April 24, 2023

Stephen Cozen, founder and chairman of Cozen O'Connor, and Mark Alderman, chairman of Cozen O'Connor Public Strategies, have been named to *City & State* Pennsylvania's 2023 Power 100. This prestigious list recognizes "the most influential politicians elected to new offices, members of the administration, veteran lawmakers, influential lobbyists, labor leaders, and other notable players throughout the commonwealth." Among other Pennsylvania leaders, the list includes Governor Josh Shapiro, Senators Bob Casey and John Fetterman, PA House Speaker Joanna McClinton, and others.

Under Stephen's leadership, *City & State* notes, "Cozen O'Connor grew from a handful of Philadelphia employees to a full-service law firm. Along the way, Cozen and his team have racked up myriad wins and seen the firm's name become synonymous with power." *City & State* further notes that "few Pennsylvanians have their fingers as firmly on the pulse of state and national politics as Mark." He "built and steers the government relations division within the eponymous international law firm, with powerful clients on both sides of the political aisle in Harrisburg and Washington, D.C."
