

2022 MHI Congress & Expo

Location

Orlando, Florida

Date & Time

Start Date: 04/11/2022

Speakers

Thomas Casparian will be speaking at the MHI Congress & Expo's NCC Spring Forum. His panel is titled, "Rent Control and Tenant Protection."

Rent control. Fair housing issues. Resident protections. Infrastructure development. Hear from a diverse group of experts through three panels as they discuss how these issues have entered the national dialogue and are now impacting how you conduct business in your states. Learn what we can do as an industry through best practices and successful strategies to avoid burdensome measures being placed upon land-lease communities by state, local and federal regulators.
