

Center City Law Firm Increases First-Year Associate Salaries by \$10K to \$15K

Tuesday, January 30, 2024

Michael Heller was interviewed by the *Philadelphia Business Journal* to discuss the increase in associate salaries this year and the plan for salary modifications for associates in their second year and above. “We’re in the process of setting those salaries in the next 30 days,” said Michael. “It’s hard for me to tell you what’s exactly going to happen, but I would say that we expect our associates to receive a significant benefit from the increase in starting salaries.”
